Spring Brush Pick Up

The Highway Department will be picking up brush from winter tree damage on Monday, May 11 through Thursday, May 14th. As there will be only one pass-by, please be sure to have your brush out by Sunday night, May 10th so you do not miss the pick-up. Remember; put cut ends toward the road to assist the highway crew. They will also come around after storms to pick up downed limbs that are placed curb side. Please do not put out tree trunks or stumps. If somebody has a lot of brush to be picked up, or would like a highway truck to come to their residence to fill, please call the highway department at (518) 399-3425 to make arrangements.

If residents wish to drop off the brush themselves, they may do so at the Town's Route 67 location. Please call for directions or details. NO building materials of any kind, or commercial landscaping waste, are to be dropped off and will not be picked up – thank you.

Please Note: The 2020 Arbor Day tree giveaway and roadside cleanup has been cancelled. If concerned groups or individuals would still like to help in roadside cleanup efforts, please call the Highway Department at (518) 399-3425 to coordinate and for bags and safety vests which are available. Thank you very much!
