Re: 4-lot subdivision, Lands of Mancini  
68 Sweetman Road  
Tax map parcel No. 247.-1-34

Dear Chairman Wilkinson and Planning Board Members:

We have received copies of the following supporting documents for the proposed 4-lot subdivision plan for lands of Mancini, at 68 Sweetman Road. These additional documents were provided in response to our initial project review and the applicants discussion with the planning board:

- Sweetman Road Basic SWPPP, dated August 19, 2022, prepared by Lansing Engineering.
- NYSDEC Spill Report Form
- NYSDEC Validation Freshwater Wetland B-58
- SCPB Referral Review

These documents adequately address all of our previous comments. The NYSDEC Spill Report Form states "*Based on this reporting, the Department does not require any additional remedial work and the spill is closed*"

We have no additional comments to offer the board.

Sincerely,

Charles D. Baker, P.E.
